

HOW TO REGISTER YOUR EBOOK

Money Education eBooks come with a code you can register for additional resources.

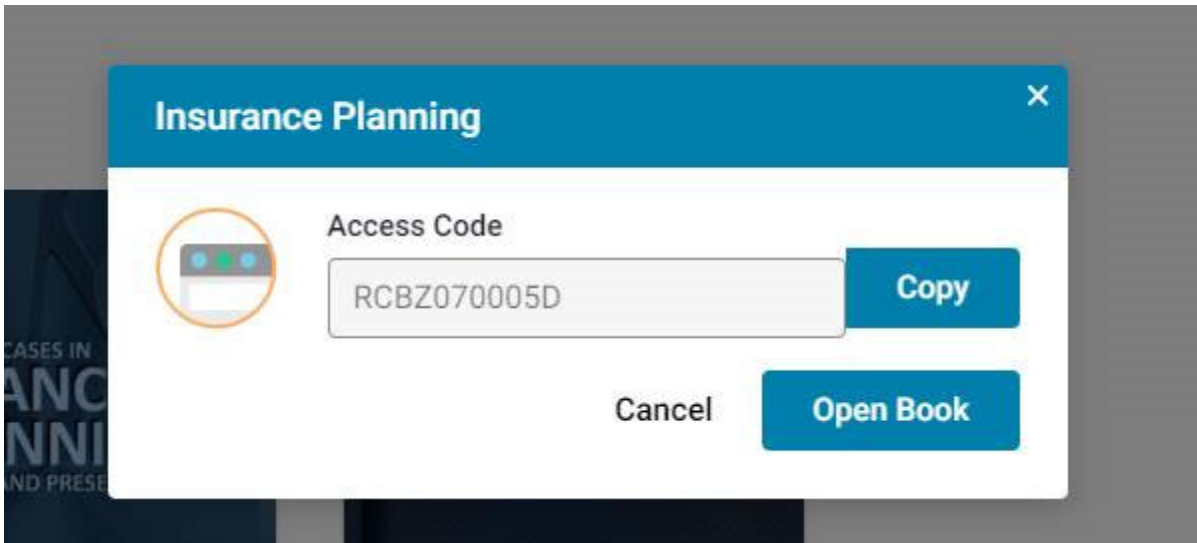

To find your code, first log into your [VitalSource Bookshelf](#) account. You will see the picture of your book and an option to “Reveal Access Code” as illustrated below.

Once you select *Continue*, this message will appear:

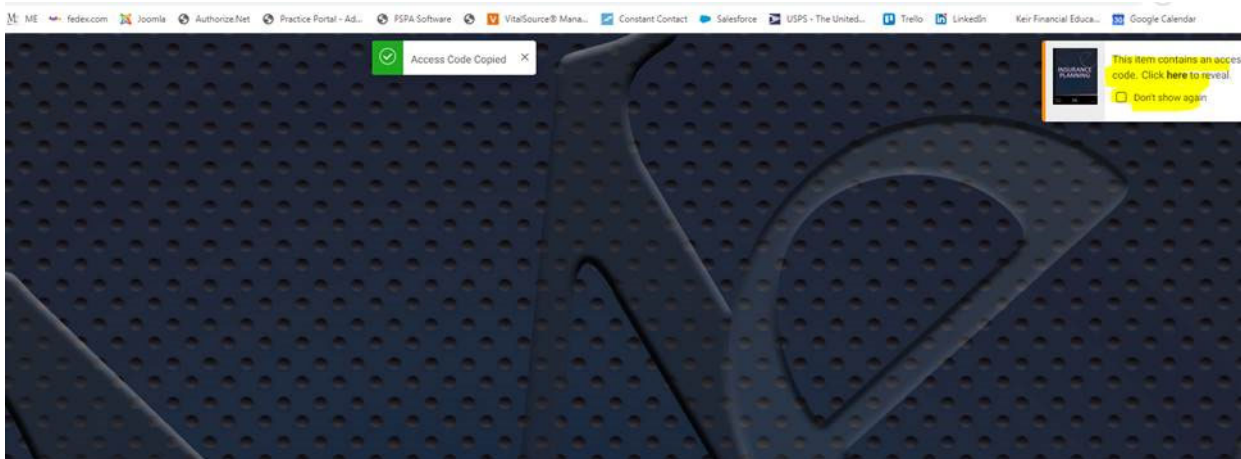

Reveal Access Code:

Another way to reveal your access code:

Once you open the book, select this box on the top right-hand corner.

Next, log in to your [Money Education account](#).

Select "My Books," and then click "Register Your Book." You should be able to select your book from the drop-down menu and paste your access code from VitalSource.

Once the access code is registered, you can view your resources any time by logging into your [Money Education account](#) and clicking "My Books." This page will show a picture of your book with links to the Chapter Resources and Practice Portal beneath.
